Strategies for Optimizing the ICAO NGAP Efforts

Mohammad Salem

UAE Alternate Representative to ICAO
&
ICAO Social Dimension in Civil Aviation
Group Chair

The role of ICAO's Social Dimension Group

Introduction

Elevate the profile of the skill shortage and related issue in the ICAO Council agenda

Promote more action by States to support NGAP

Look into advanced NGAP Strategies and enhance the ICAO role

Looking Forward Global Cooperation

Strengthening the aviation workforce through international collaboration.

Sustainability as a driving force for workforce attraction.

Expanding diversity and inclusion through cross-regional initiatives.

Embracing technological innovation for the future workforce.

❖ Strengthening ICAO's Policy and Regulatory Framework

How can ICAO develop global policies ensuring a sustainable workforce?

What regulatory measures can encourage investment in aviation training?

❖ Enhancing International Cooperation on Workforce Development

How can ICAO harmonize aviation training requirements across regions?

How can ICAO facilitate cross-border talent mobility in aviation?

Policy Incentives and Funding Mechanisms

**Should ICAO advocate for
financial incentives for aviation
training?**

**What policy measures can ICAO
recommend to ensure equitable
access?**

Call to Action

- Encouraging stakeholders to collaborate on training and workforce development.
- Strengthening policy recommendations within ICAO's Social Dimension Group.
- Aligning NGAP efforts with sustainability and innovation.

Closing Remarks

- **Summary of key takeaways**
- **Invitation for engagement and follow-up discussions**
