INTERNATIONAL CIVIL AVIATION ORGANIZATION

GUIDANCE MATERIAL FOR
SEARCH AND RESCUE OPERATIONS AND TRAINING

Final Draft – October 2024

Search and
Rescue is not
commercial air
transport.

Search and
Rescue not
aerial work or
specialised
operations.

It is SAR

Recommendations

- Update Doc. 9734 to include SAR under Flight Safety Standards / Air Operations
- Remove 'search and rescue' from the definition of aerial work in Annex 6
- Evolve the SAR Ops and Training Guidance Material from ICAO FIR SAR TF
