19 November 2025

ICAO EUR SAR Task Force

Workstream C

Rapporteur
Rowan Greenwood

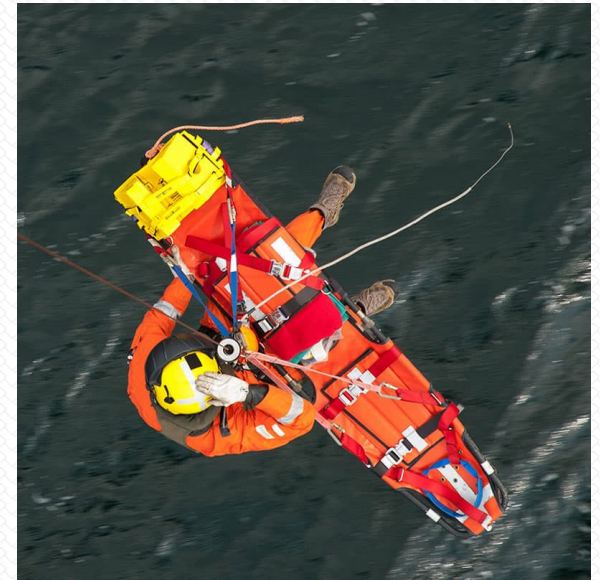

SAR Operations and Training Guidance Material

October 2024 – previous ICAO
EUR SAR TF meeting Baku,
Azerbaijan – Sign off by
Workstream C members on final
draft of SAR Ops and Training GM

EASPG December 2025 – Final
draft agreed and publication
confirmed

Feb 2025 – ICAO EUR Doc 049
published

Workstream Update

October 2025 – Workstream C meeting to thank the members for their contribution to the publication of Doc 049 and to maintain the effort to contribute to the continued improvement of the document

Further input is requested on subjects to be updated or added for the next revision; for example, SAR airworthiness considerations, FTL for SAR coordinators, medical provision standards etc.

Keep in touch or join in with the next Workstream C meeting in Q1/Q2 2026. Date to be confirmed.

Any Questions?
