GREEN AIRPORT CERTIFICATION PROGRAMME

A voluntary, ongoing programme for UAE international aerodromes

Our Purpose

Our purpose is simple: to measure the environmental benefit of our regulations.

01

National commitment

Supports UAE Net Zero 2050 and We the UAE 2031.

02

Recognise real action

Rewards initiatives already delivering results.

03

Measure our regulations

Especially our UAE-specific requirements.

The Programme at a Glance

NOW

UAE international aerodromes

Certified under CAR-AGA Part ADR

2027

Air Navigation Service Providers

Framework extended next year

WHAT EARNS THE GREEN STAMP

01

Implemented

Operating now, not a plan.

02

Measurable

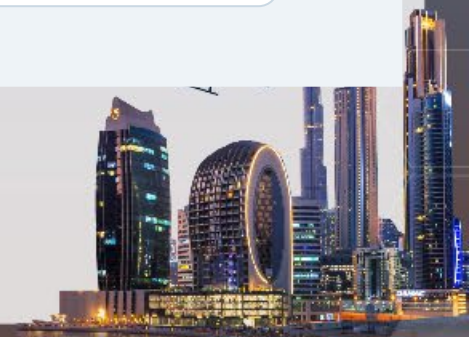

Proven environmental benefit.

03

Maintained

Reviewed every two years, with new initiatives added.

From Evidence to Better Regulation

The expected outcome: a national view of environmental benefit

UAE Green Dashboard

GCAA Green Airport Air Navigation & Aerodromes Department

Illustrative

15%
Less energy used

20%
Lower emissions

25%
Water saved

40%
Waste recycled

01

Green Dashboard

All results in one national view.

02

Regulatory impact

The environmental benefit of our UAE-specific requirements.

03

Shaping future regulation

What more our regulations can offer aerodromes, with the framework embedded in GCAA regulations.
