ENCASIA – Aims and Objectives

Effective
Independent
Investigations
through:

ENCASIA – Annual Reports

The reports gives a summary of:

- Status of ENCASIA in General
- Update on Regulatory Changes
- Participation in International Activities
- Status for the Working Groups
- Data Analysis of the Safety Recommendations Information System
- Future Work

Question:

- Where is the statistics covering accidents and incidents?

ENCASIA – Annual Reports

Statistics covering accidents and incidents

ENCASIA is required by Regulation (EU) No 996/2010, Article 7.3(g), to ***analyse the safety recommendations*** that have been entered onto SRIS and to ***identify important Safety Recommendations of Union Wide Relevance*** (SRUR).

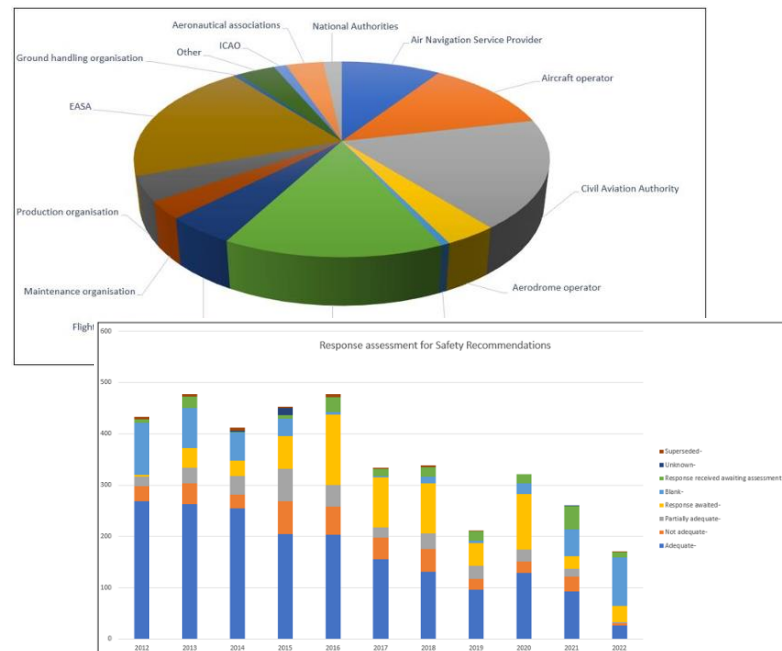

This analysis is carried out by Working Group 6, presently headed by Captain Vittorio Borsi.

ENCASIA – Analysis of Safety Recommendations

What can be extracted from this part:

- A overview of
 - the numbers of SRs issued per State
 - SRs' topics
 - to whom SRs have been addressed to
 - SRs response assessment by SIAs
 - SRs coming from Safety Studies
 - SRs received from Third Countries
 - SRs of Union-wide Relevance
 - SRs of Global Concern

ENCASIA – Annual Reports in Member States

In the European Union it is up to the Member States, if the Safety Investigation Authority Publish its own Annual Report or the SIA's input is used in the Civil Aviation Authority's Safety Report, which usually is a part of the State Safety Programme...
