**Agenda Item 22: Resource Mobilization and Voluntary Funds**

22.1 The Committee noted A40-WP/50 presented by ICAO. It noted the 123 per cent increase between 2016-2018 and 2013-2015 in ICAO voluntary funds cumulatively received. The Committee acknowledged with gratitude the US, China and Canada as being ICAO's top 3 State donors. It also welcomed the 133 States that supported ICAO through the deployment of gratis personnel, including short or long term secondees, and/or the organization of conferences, events, summits, meetings and workshops.

22.2 The Committee acknowledged the invaluable contribution provided by Member States who host ICAO Offices, from Headquarters to Regional Offices, namely Canada, Mexico, Peru, France, Egypt, Senegal, Kenya, Thailand and the Sub-Regional Office – China.

22.3 The Committee noted with interest the different Funds and their purpose, as well as details on each of the voluntary fund contributions and expenditures, and applauded the tools and procedures created to further enhance the mobilization of voluntary resources.

22.4 It appreciated the need to diversify the donor landscape and welcomed the opportunity to strategically engage with financial institutions to support the aviation sector. These actions are subject to the resources available in the 2020-2022 regular programme budget and from extra budgetary contributions. As such the Committee supported the updated resolution included in A40-WP/50.

22.5 In closing, the Executive Committee appreciated the Secretariat's initiatives and achievements in the mobilization of voluntary resources. Furthermore, the Committee welcomed the Secretariat's efforts to strengthen accountability, efficiency in management and transparency as this will be enhance ICAO's resource mobilization efforts with donors.

22.6 In light of the discussion, the Committee agreed to submit for adoption by the Plenary, the following resolution:

**Resolution 22/xx: Resource Mobilization**

*Recognizing* that air transport is a catalyst for sustainable development and that despite its socio-economic significance, it receives limited funds from existing international funding mechanisms to support its development;

*Recognizing* that the successful implementation of the *No Country Left Behind* (NCLB) initiative will rely on an increased level of funding and investments supported by all Member States;

*Considering* that, in some cases, Member States may not have access to the necessary resources to remedy the deficiencies identified through ICAO audit programmes and to enhance their air transport systems;

*Whereas* most developing States experience difficulties in gaining access to many financial market sources, particularly foreign capital markets, for funding sustainable development of civil aviation;

*Whereas* the Council has established, based on ICAO Strategic Objectives, thematic and multi-donor trust funds with the objective of assisting Member States in enhancing civil aviation;

*Recalling* that several Assembly resolutions, including A39-12, A39-14, A39-16, 39-18, A38-2, A38-5, A38-7, A38-15, A37-16, A36-17, A36-18, A35-15, A33-1, A33-9, A29-13 and A22-19, urge States, international organizations and financial institutions to establish partnerships, mobilize resources for technical assistance and make voluntary contributions to ICAO Funds;

*Acknowledging* Member States, international and regional organizations and other donors' significant contributions to ICAO Funds associated with the fulfilment of the objectives of ICAO;

*Recognizing* that a holistic and purposeful resource mobilization capacity has the potential for increasing ICAO's support to States in facilitating access to funds to enhance their civil aviation systems;

*Whereas* ICAO has a Resource Mobilization Policy aimed at achieving adequate, more predictable and sustainable voluntary contributions to realize the Organization's mission, to complement the ICAO Regular Programme Budget, and to assist States in facilitating access to funds to enhance their safe, efficient, secure, economically viable and environmentally sound air transport system;

*The Assembly:*

1. *Directs* the Council and Secretary General, within their respective competencies, to ensure that ICAO continue its role as an advocate for aviation by raising awareness among Member States, the United Nations system, international and regional organizations, financial institutions, the private sector and the donor community about the benefits of mobilizing resources for and investing in the sustainable development of air transport systems of all Member States;
2. *Urges* Member States, the industry, international and regional organizations, financial institutions, donors and other stakeholders to support the implementation of assistance activities in line with the global and regional aviation plans and priorities established by ICAO while avoiding duplication of efforts;
3. *Requests* the Secretary General to develop guidance material to assist States in including and elevating the priority of the aviation sector into their national development plans and developing robust air transport sector strategic plans and civil aviation master plans;
4. *Urges* Member States to work with financial institutions, to prioritize the aviation sector for funding to implement assistance and national projects, in support of the NCLB Initiative;
5. *Urges* Member States to secure national funding for the sustainable development of air transport and *encourages* them to seek assistance from ICAO when appropriate;
6. *Urges* all Member States providing Official Development Assistance (ODA) to recognize the significant contributions of aviation to sustainable development by considering commitments and disbursements of financial flows to the enhancements of air transport of States in need and *encourages* the Secretary General to assist them in realizing this endeavour;

7. *Urges* all Member States, the industry, international and regional organizations, financial institutions, donors and other stakeholders able to do so to continue making voluntary contributions to ICAO Funds and to partner with States in need with a view to providing financial and technical resources to assist in enhancing their civil aviation systems, including their oversight capabilities;

8. *Directs* the Council and Secretary General, with their respective competencies, to continue fostering ICAO's partnership with financial institutions seeking the prioritization or inclusion of aviation in their agendas and work programmes in order to facilitate States' access to fund or finance their aviation development projects;

9. *Directs* the Secretary General to develop strategies and means to mobilize resources among Member States, the UN system, international and regional organizations, financial institutions, the private sector and related mechanisms to assist States in need, especially Least Developed Countries (LDCs), Landlocked Developing Countries (LLDCs) and Small Island Developing States (SIDS), in enhancing their air transport systems when appropriate and consistent with the NCLB initiative;

10. *Directs* the Secretary General to work with international organizations to ensure that aviation priorities and opportunities are properly represented in global and regional initiatives related to the mobilization of resources for the development of air transport; ~~and~~

11. *Directs* the Secretary General to work with international organizations to ensure that ICAO Resource Mobilization initiatives are harmonized and integrated in relevant funding and development frameworks; ~~and~~

12. Declares that this resolution supersedes A39-26 on Resource Management
