Agenda Item 3: Review status of implementation of AFTN plan and evaluate circuit capacity

REVIEW OF ASIA/PAC AFTN ROUTING DIRECTORY

(Presented by the Secretariat)

SUMMARY

This paper presents Twenty Third Edition of ASIA/PAC AFTN Routing Directory for review by the meeting.

1. Introduction

1.1 The Twenty-Third Edition of ASIA/PAC AFTN Routing Directory was forwarded to States on 12 October 2001. Those proposals for amendment received as of 10 October 2001 from Administrations concerned were incorporated after necessary coordination with States concerned. This edition of the AFTN Routing Directory became applicable on the 1 December 2001.

2. Discussion

2.1 While the Directory had been examined carefully, errors or omissions might have been overlooked. Instances of this nature should be brought to the attention of the Regional Office immediately upon their detection

2.2 Updating AFTN routing directory is an ongoing exercise. It should be kept current reflecting changes resulting from the implementation of new circuits and improvements of existing circuits.

2.3 A copy of the Twenty-Third Edition of the ASIA/PAC AFTN Routing Directory is provided in the attachment to this paper for review.

3. Action by the meeting

3.1 The meeting is invited to review the AFTN Routing Directory and provide comments for changes, as appropriate.
