• Summary of Discussions and Conclusions of the 24th E/CAR Informal Working Group Meeting, San Juan, Puerto Rico, (22-26 May 2000)	

1 Introduction

1.1 The 24th E/CAR IWG Meeting, held in San Juan, Puerto Rico from 22 to 26 May 2000 formulated the latest rotational list of sites for the E/CAR Informal Working Group Meetings.

2. Discussion

2.1 According the approved meeting host rotation programme, Saint Vincent and the Grenadines was to host the meeting in 2002. Saint Vincent and the Grenadines informed that they were unable to host the Meeting this year and offered to host it in 2003. Thanks to the coordination efforts between the ICAO Regional Office and IACL and Barbados, this meeting has been convened in Barbados.

2.2 Based on the above, the Meeting should update the meeting host rotation programme, included as **Appendix A** to this working paper.

2.3 **Appendix B** shows the historical list of hosts for the E/CAR IWG Meeting up to this date.

3. **Suggested Action**

3.1 Based on the above, the Meeting is invited to update the list of future E/CAR IWG Meetings, which is included in Appendix A.
