STATUS RESPONSES CONCERNING AMHS MD REGISTRATION

(Presented by Japan)

SUMMARY

This working paper aims at providing a summary of the information sent by States in reply to State Letter SP 54/1 – 03/39 concerning the establishment of an ICAO register for addresses and management domain identifiers in the air traffic services (ATS) message handling system (AMHS).

The ACP WGN is invited to note the information provided and to develop an appropriate set of procedures for the management and update of this Register information.
