Agenda Item 3: Consider route requirements

CONSOLIDATED LIST OF USER REQUIRED ROUTES

(Presented by IATA)

SUMMARY

This paper presents an amended and consolidated list of User required routes in the airspace of China, following discussions with ATMB, China.

1. INTRODUCTION

1.1 At ARNR TF/1 IATA presented a list of User required routes. This included a number of routes in China airspace. IATA stated that this was a preliminary list and that further rationalization would be undertaken to reduce the number and consolidate the list of routes in China airspace.

2. DISCUSSION

2.1 Consolidated list of User Required Routes in China airspace.

2.1.1 Following discussions among users and between IATA North Asia Office and ATMB China, the list of China routes presented earlier have been rationalized and consolidated into the list in the attachment.

3. ACTION BY THE MEETING

3.1 The meeting is invited to note and accept the consolidated list in the attachment as a replacement for the list presented in ARNR TF/1.
