TELECOMMUNICATION NETWORK (ATN)
TRANSITION TASK FORCE OF APANPIRG**

Shanghai, China, 18-22 April 2005.

Agenda Item 6: Update Tables and Charts for the ground-to ground part of CNS FASID

REVIEW THE ASIA/PAC AMHS PLAN - TABLE CNS-1C

(Presented by the Secretariat)

SUMMARY

This paper presents AMHS Plan for review by the meeting.

1. INTRODUCTION

1.1 The AMHS Plan (Table CNS-1C) is provided in a tabular form in Attachment 1 for review by this meeting.

2. DISCUSSION

The ATN Transition Task Force at its sixth meeting held in 2004 completed development of the requirements for inclusion in the Table CNS-1C. The Table was subsequently reviewed and endorsed by the CNS/MET Sub Group APANPIRG. The APANPIRG/15 agreed to replace the existing Table with the updated Table CNS- 1C.

2.1 In accordance with Conclusion 15/17 of APANPIRG/15 meeting an amendment proposal APAC 05/15-CNS has been circulated to States on 16 March 2005 for comments. States are expected to provide comments by 12 May 2005. The existing Table CNS-1C contained in Part IV of the ASIA/PAC FASID will be replaced with an updated Table upon completion of approval process of the Amendment Proposal APAC 05/15-CNS.

3. ACTION BY THE MEETING

3.1 The meeting is expected to:

- a) review the AMHS Plan (Table CNS-1C); and
- b) provide comments, as required.
