

GLOBAL AIR TRAFFIC MANAGEMENT FORUM ON CIVIL/MILITARY COOPERATION

ICAO Headquarters, Montréal, Canada
19 to 21 October 2009

Mr.

Bo Redeborn

**Principal Director Cooperative Network Design (CND)
European Organisation for the Safety of Air Navigation (EUROCONTROL)**

Mr. Bo Redeborn is a Swedish national and joined EUROCONTROL in Brussels, Belgium in February 2004 as Director ATM Strategies. He was appointed to his current position as Principal Director Cooperative Network Design (CND) on 1st January 2009. The CND Directorate aims to achieve the design and implementation of a collaborative, high performance pan-European Air Traffic Management system.

Mr. Redeborn started his training as an Air Traffic Controller at the Swedish ATS Academy in 1972 and was subsequently employed by the Swedish CAA. During the 1980s he spent six years as an ATCO in Jeddah, Saudi Arabia, on an ICAO Technical Assistance mission, then returned to the Swedish CAA and took up managerial functions with increasing responsibility. Before joining EUROCONTROL, he headed the Air Navigation Services ATM Support & Development Business Area based in Norrköping.
