

GLOBAL AIR TRAFFIC MANAGEMENT FORUM ON CIVIL/MILITARY COOPERATION

ICAO Headquarters, Montréal, Canada
19 to 21 October 2009

Ms.

Leslie Cary

**Technical Officer, Air Traffic Management Section
International Civil Aviation Organization (ICAO)**

Ms. Leslie Cary is a Technical Officer in the Air Traffic Management Section of the Air Navigation Bureau at the International Civil Aviation Organization (ICAO) and is Secretary of the ICAO Unmanned Aircraft Systems Study Group. As Secretary, she is responsible for coordinating all developments related to unmanned aircraft systems within the ICAO framework. This includes working with pertinent Technical Panels, Study Groups and relevant external bodies on development of guidance

material and, eventually, the full range of Standards and Recommended Practices which will establish the basis for global interoperability and harmonization of UAS.

Prior to joining ICAO in mid 2006, Ms. Cary was with the U.S. Federal Aviation Administration. She spent 14 years as an air traffic controller at Anchorage Center and 6 years at FAA headquarters facilitating implementation of various international ATM and CNS initiatives.
