

GLOBAL AIR TRAFFIC MANAGEMENT FORUM ON CIVIL/MILITARY COOPERATION

ICAO Headquarters, Montréal, Canada
19 to 21 October 2009

Mr.

Bodgan Donciu

**Director General
Romanian Air Traffic Services Administration (ROMATSA)**

Mr. Bodgan Donciu has been involved with air navigation services at national and international level for over seventeen years. He is the Director General of Romatsa for the second time from the 17th of February 2009, the first time being during the years 2004 – 2005.

RA Romatsa is the certified and assigned provider of air navigation services, including air traffic services, aeronautical communication, navigation and surveillance services, aeronautical meteorological services, aeronautical information services, as well as the coordination of the search and rescue missions in the Bucharest Flight Information Region.

Before joining Romatsa, Mr Donciu was an Analyst Programmer between 1986 – 1990, then became an Air Traffic Controller at Romatsa, as an

area controller during 1994 – 2001, still holding a valid licence till the present day.

Between 2000 – 2001 he served as an Safety Expert in the Safety and Quality Division of Romatsa, then became the Director of the Safety and Quality Division during 2001 – 2004, and again during 2005 – 2006 and 2007 – 2008.

Between 2006- 2007 he was the Director General of Romanian Civil Aviation in the Romanian Ministry of Transport.

In 2008 Mr. Donciu has been the Deputy General Director Operational of Romatsa.

Mr Donciu holds a Master of degree from the University of Automatics and Computer Science within the Polytechnic Institute of Bucharest.
