ICAO Headquarters, Montréal, Canada
19 to 21 October 2009

Mr.

Marco Silanos

**Director, ANS Certification
Ente Nazionale per l'Aviazione Civile (ENAC)/Italy**

Mr. Marco Silanos was born in 1960 in Rome, Italy. After his University Degree in Aeronautical Engineering in 1987 he started his professional career in Aviation serving as Second Lieutenant in the Italian Air Force.

In 1989, he joined Registro Aeronautico Italiano, the Italian Civil Aviation Authority, starting at the Milan Regional Department as responsible of certification and surveillance processes of aircraft, personnel and organisation in the design, production, maintenance and operational fields. In 1993 he moved to the RAI Hqs. In this central role he

held a range of positions at national and international level, taking over posts of responsibility in the JAA system.

In 2007 he was nominated Director of the ENAC Venice Regional Department. Since November of the same year he has been running the ENAC department in charge of the certification and oversight of organisation and personnel in the Air Navigation field, giving his contribution to the on-going development of the independent airspace authority in Italy.

He is married and has four children.
