

Second ICAO Aviation Language Symposium

Montreal – 7 to 9 May 2007

Panel 2 Report

Ensuring Testing and Training Quality

Jeremy Mell

Panel 2 Objective

- **Testing Solutions**
- **Impacts of testing on training**
- **Training Solutions**

Testing Solutions

- **Best Practices**
 - **What to look for in a test proposal**
 - **Dos and Don'ts of Interlocutors**
 - **Security**
- **Two proposals**
 - **RELTA**
 - **VAET**

Impact of testing on training

- **Positive vs negative washback**
- **Why regulators, ANSPs and operators should care**

Training Solutions

- **“How many hours?”**
- **Qualified versus ab initio populations**
- **E-learning, Classroom, Self-study**
- **Content-based language training**
- **Blended learning**
- **Training Materials (Aviation Content)**

CONCLUSIONS

- **Addressing the real challenges**
- **Involvement and partnerships of all stakeholders**
- **Issues not addressed but requiring solutions for the aviation community**
