Members of the public without credentials are requested to register at the Registration Desk on the ground floor and will be required to show proper identification (photo ID) in order to obtain a special pass. They may follow the proceedings from the Public Gallery of the Assembly Hall where seats are reserved for their use (or in overflow accommodation, if necessary), unless the meeting has been declared “closed”. Where appropriate, a notice to the effect that a meeting has been closed will be placed in a prominent position on the door(s) of the meeting room.

8. Document distribution for accredited Delegates and Observers will be from the satellite located on the 4th floor. Document distribution for members of the public who registered for the seminar prior to the Conference will be from the satellite located on the ground floor. Submission of working papers or information papers

9. Delegations wishing to present working papers for consideration by the meeting are requested to submit them (including electronic versions if available) to a member of the Conference Secretariat staff (so identified by their yellow lapel badge) as early as possible, bearing in mind the time necessary for preparation, translation, reproduction and distribution.
