

CONCEPT NOTE

Third ICAO Conference on Aviation Alternative Fuels (CAAF/3) Ministerial High-level Panel on General Expectations for CAAF/3

20 November 2023 (Day 1 of CAAF/3)

(15:45 – 17:15 hours)

Moderator of Ministerial High-level Panels:

Adefunke Adeyemi, AFCAC Secretary General

Format and Questions to be discussed at Ministerial High-level Panels:

The Ministerial High-level Panels will be organized, where each Minister/High-level Representative will provide their general expectations for the Third ICAO Conference on Aviation and Alternative Fuels (CAAF/3).

During the 90-minute slot on 20 November (from 15:45 to 17:15), the High-level Panel with around 7 Ministerial/High-level State participants from all regions and one industry participant will answer specific questions asked by the moderator and there will be no intervention from the floor during the panel. Each participant will have max 3 minutes to answer each question.

The following questions will be asked by the Moderator to participants of Panel:

- **Question No. 1: What is the importance of cleaner energy for the future of aviation?**
- **Question No. 2: How can ICAO facilitate the acceleration of that future?**
- **Question No. 3: As a sector, are we doing enough towards aviation's cleaner energy transition?**
- **Question No. 4: How can the cooperation on aviation's cleaner energy among different stakeholders be further improved?**
