1. TERMS OF USE OF ICAO SECURE PORTAL

1.1 The ICAO Single Sign-on Secure Portal requires a unique user id and password pair for each user to log in. No group or shared accounts are allowed.

1.2 Each registered user must not share this password with other persons, and take reasonable precautions to keep the password secret.

1.3 All passwords automatically expire every six (6) months.

1.4 If a user fails to login five (5) consecutive times (that is, entering the correct user id and the wrong password), the account is locked for a period of time.

1.5 Users must keep their profile information up to date, particularly the e-mail address. ICAO uses that address for all communications originated from the Portal, including the Council website.

Please note that once you receive email confirmation of acceptance into the ICAN group, it could take up to 24 hours to be able to access the ICAN group and register your Delegation.
