

Transportation

Airport Transfers

The journey from Punta Cana International Airport (PUJ) to the Barceló Bávaro Palace or Barceló Bávaro Beach hotels takes approximately 20–30 minutes, depending on traffic. To ensure a smooth arrival, **we strongly recommend arranging transportation in advance**. Taxis are also available at the airport's arrival area for immediate service.

Guests staying in the Barceló Palace or Barceló Beach may arrange transportation in advance through the following official site:

<https://www.vacacionesbarcelo.com/destinations/dominican-republic/punta-cana/transfers>

Additionally, the following transportation providers are recommended:

Transekur
