

SUSTAINABLE DEVELOPMENT GOALS

ICAO's environmental work contributes to 11 out of the 17 United Nations SDGs.

6.5 € MILLION BUDGET

The main objective of the ICAO-EU Assistance Project is to contribute to the mitigation of CO₂ emissions from international aviation by implementing capacity building activities that will support the development of low carbon air transport and environmental sustainability in the fourteen selected States. This project is a concrete example of ICAO's efforts to achieve the objectives of the "No Country Left Behind" initiative in the area of environmental protection.

STEERING COMMITTEE

A Steering Committee has been established for the strategic and political direction of the project. This Committee meets annually and includes representatives from ICAO, the European Commission and the beneficiary States.
