

Uku Särekanno

Deputy Executive Director

EU borders today

- Air travel back to the pre-COVID level
- More than 600 M entries and exits to EU
- Limited resources
- Enrollment of new large scale systems

Source: Frontex

New systems underway

Registers all non-EU travellers entering Schengen countries for a short stay

- Travellers' **biometrics** registered and verified
- **Replaces** physical stamping of passport

Travel authorisation for visa-free travellers to enter the Schengen countries and Cyprus for a short stay

- **Pre-travel screening** of visa-free travellers to determine whether they pose a security, illegal immigration, or public health risk.

Travel to Europe mobile app

- Pre-registration to the Entry-Exit System (EES)
- To reduce processing times at the border
- Non-EU travellers with biometric passport
- Voluntary for Member States and travellers
- Facial image, passport data, entry conditions questionnaire
