

AGENDA ITEM 6

EU CORSIA Africa and Caribbean project

Monica Bonfanti
Lead Environmental Expert
07.08.2025

Working for quieter and cleaner aviation.

Your safety is our mission.

3 Regions

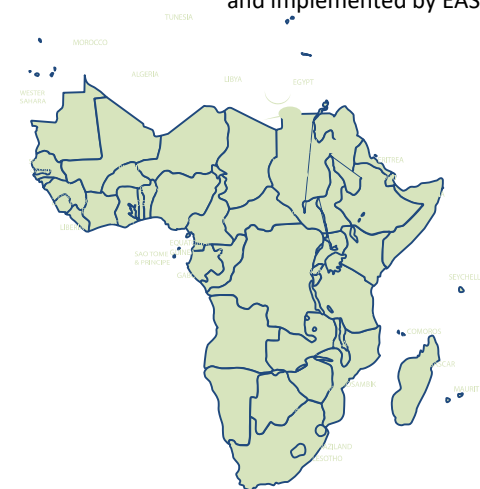

This project is funded by the European Union
and implemented by EASA.

Angola Botswana
Cape Verde Cameroon
Eswatini Ethiopia Ghana
Kenya Lesotho
Malawi Mauritius
Mozambique
Namibia Nigeria
Rwanda Seychelles
Sao Tomé Sierra Leone
South Africa Sudan
UR of Tanzania
Uganda Zambia
Zimbabwe
The Gambia
South Sudan

Antigua and Barbuda
Bahamas Barbados
Belize Cuba
Dominican Republic
Guyana Jamaica
St. Lucia
Trinidad and Tobago
Grenada Haiti
Saint Kitts and Nevis
Suriname
Saint Vincent and the
Grenadines

Benin Burkina Faso
Burundi
Central Africa Republic
Union of the Comoros
Côte d'Ivoire DR Congo
Equatorial Guinea
Gabon (ES)
Mali Mauritania
Madagascar Niger
Senegal Togo

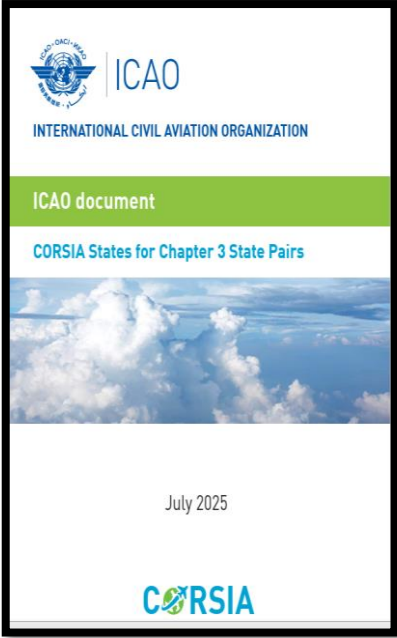

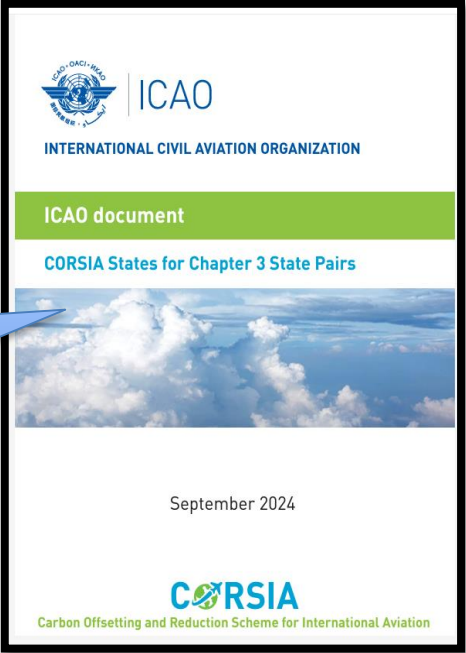

Caribbean States volunteering CORSIA

This project is funded by the European Union and implemented by EASA.

N. of States	Caribbean region
1	Dominican Republic
2	Comoros
3	S Lucia
4	Guyana
5	Grenada
6	Bahamas
7	Barbados
8	Belize
9	Trinidad&Tobago
10	Suriname
11	Saint Kitts and Nevis
12	Saint Vincent and Grenadines
13	Cuba
14	Antigua
15	Jamaica
16	Haiti
17	Commonwealth of Dominica (from 01.01.2026)

All these states are quoted in this document

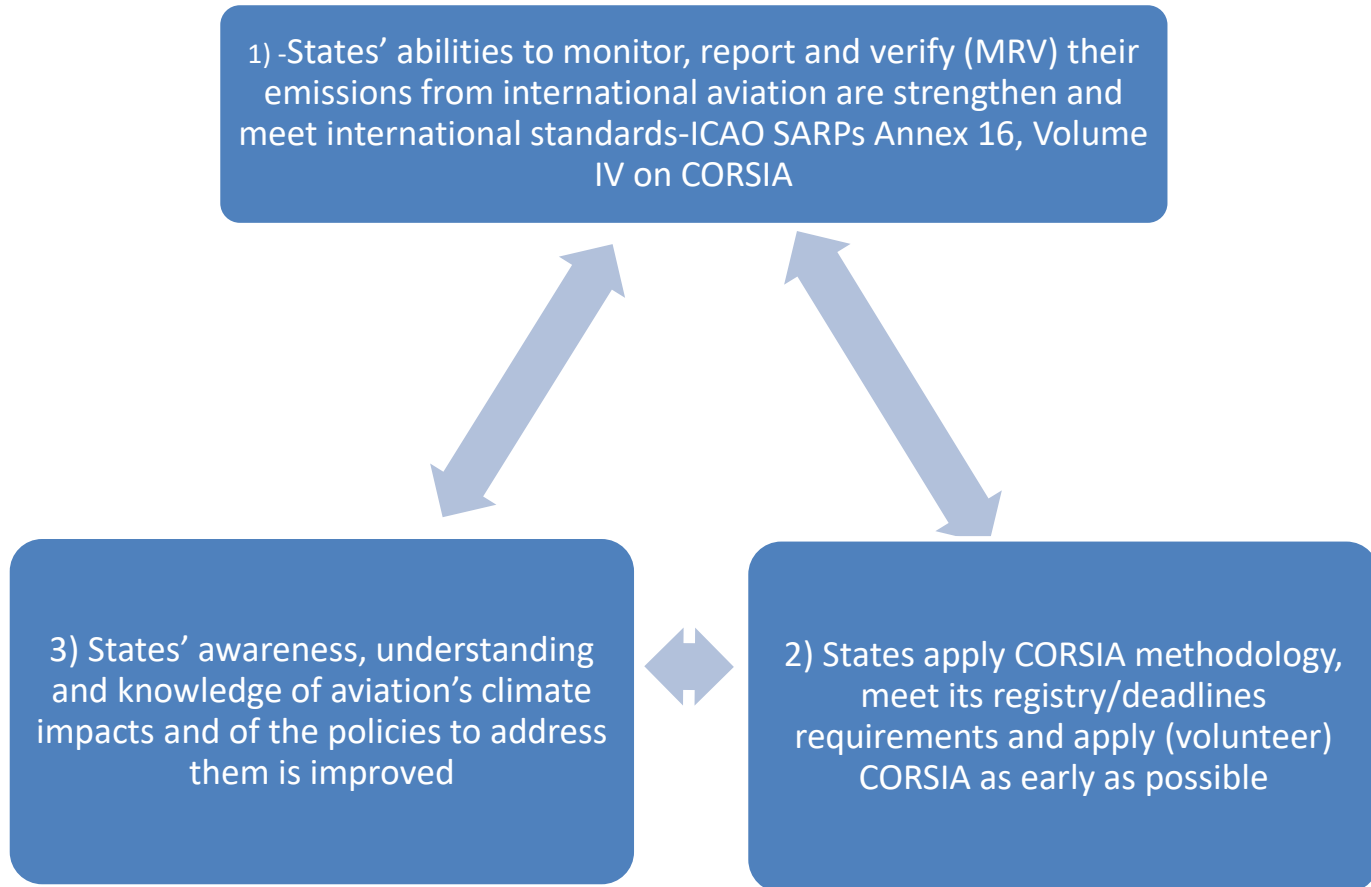

Commonwealth of Dominica volunteering from 01.01.2026 and the name is mentioned in the last edition of CORSIA States for Chapter 3 State Pairs, July 2025 (published by ICAO on 01.08.2025)

Project's GOALS to support the state

This project is funded by the European Union and implemented by EASA.

All Beneficiary states of the EU CORSIA AFRICA AND CARIBBEAN Project were assisted in implementing the different requirements of CORSIA mechanism based on their needs and context

- 1) Flexibility
- 2) Team work with the state
- 3) Availability to assist and guide states during the whole process
- 4) From training to compiling document

From the regional workshop in Kingston 2024 to the regional workshop Santo Domingo, July 2025
CORSIA and EU CORSIA AFRICA AND CARIBBEAN PROJECT-CARIBBEAN REGION-
a few examples of states asking for support

Next Steps/Next activities requested after the regional workshop

Requesting States	CORSIA regulation	CORSIA Eligible Emissions Units	CORSIA National Accreditation Body/Verification Bodies	Wide Mitigation Measures under State Action Plan
Dominican Republic		1 Work with IDAC and Ministry of Env for CORSIA Eligible Projects 2 Work with IDAC for the calculation of CORSIA offsetting for the AO attributed to DR	1 Assist new interested candidate VB with training on CORSIA and ISO 14065, 17029, 14064-1, 14064-3 2 Assist ODAC (NAB) new FP under CORSIA 3 Assist ODAC to extend the CORSIA scope to consider offsetting and CEF 4 Train the VB from DR on the CORSIA offsetting and CEF	

Started...to be continued

Next Steps/Next activities requested after the regional workshop

Requesting States	CORSIA regulation	CORSIA Eligible Emissions Units	CORSIA National Accreditation Body/Verification Bodies	Wide Mitigation Measures under State Action Plan
Cuba		1 Work with IACC and Ministry of Env for CORSIA Eligible Projects 2 Work with IACC for the calculation of CORSIA offsetting for the AO attributed to Cuba	1 Assist NAB to extend the CORSIA scope to consider offsetting and CEF 2 Train the VB from Cuba on the CORSIA offsetting and CEF	
Jamaica		1 Work with JCAA and Ministry of Env for CORSIA Eligible Projects	1 Assist NAB to launch the CORSIA sub scope	
Trinidad and Tobago		1 Work with TTCAA and Ministry of Env for CORSIA Eligible Projects 2 Work with TTCAA for the calculation of CORSIA offsetting for the AO attributed to T&T	1 Train the candidate CB to apply for CORSIA sub scope under Jamaica NAB	

Under request

discussion

Slots for training proposed, assessment in the future to be conducted

Under discussion after the regional workshop in DR

Proposed slot to NAB Jamaica

Next Steps/Next activities requested after the regional workshop

Requesting States	CORSIA regulation	CORSIA Eligible Emissions Units	CORSIA National Accreditation Body/Verification Bodies	Wide Mitigation Measures under State Action Plan
Belize			1 Train the candidate CB to apply for CORSIA sub scope under Jamaica NAB	
Saint Kitts and Nevis			1 Train the candidate CB to apply for CORSIA sub scope under Jamaica NAB	
Suriname		1 Work with CASAS and Ministry of Env for CORSIA Eligible Projects 2 Work with CASAS for the calculation of CORSIA offsetting for the AO attributed to Suriname		1 Assist to monitor the implementation of the mitigation actions with ad hoc indicators (e.g. every six months) to arrive ready for SAP 2 2 Assist AO in working with ICAO Forms (M, C and A)

Started. To be resumed with the new government

Proposed slot to NAB Jamaica

Proposed slot to NAB Jamaica

Started...to be continued

Next Steps/Next activities requested after the regional workshop

Requesting States	CORSIA regulation	CORSIA Eligible Emissions Units	CORSIA National Accreditation Body/Verification Bodies	Wide Mitigation Measures under State Action Plan
Bahamas		1 Work with CAA-B and Ministry of Env for CORSIA Eligible Projects 2 Work with CAA-B for the calculation of CORSIA offsetting for the AO attributed to Bahamas		
Saint Lucia		1 Work with Civil Aviation Department and Ministry of Env for CORSIA Eligible Projects (involvement of OECS if possible)		1)Identify possible mitigation measures having an international dimension to be used for ECCAA SAP
Saint Vincent and Grenadines				1)Identify possible mitigation measures having an international dimension to be used for ECCAA SAP
Grenada				1)Identify possible mitigation measures having an international dimension to be used for ECCAA SAP

Started but to be continued

Resumed and to be continued...

Started on 31.07.2025

Started on 31.07.2025

Started on 31.07.2025

Next Steps/Next activities requested after the regional workshop

Requesting States	CORSIA regulation	CORSIA Eligible Emissions Units	CORSIA National Accreditation Body/Verification Bodies	Wide Mitigation Measures under State Action Plan
Commonwealth of Dominica		1 Work with Civil Aviation Department/Ministry of Tourism and Ministry of Env for CORSIA Eligible Projects		1)Identify possible mitigation measures having an international dimension to be used for ECCAA SAP
Antigua and Barbuda/ECCAA	Transposition ICAO SARPs Annex 16 volume IV	1 Work with Civil Aviation Department and Ministry of Env for CORSIA Eligible Projects (involvement of OECS if possible)		1.Draft the first SAP integrating mitigation measures from all ECCAA States 2.Assist to monitor the implementation of the mitigation actions with ad hoc indicators (e.g. every six months) to arrive ready for SAP 2

Ongoing

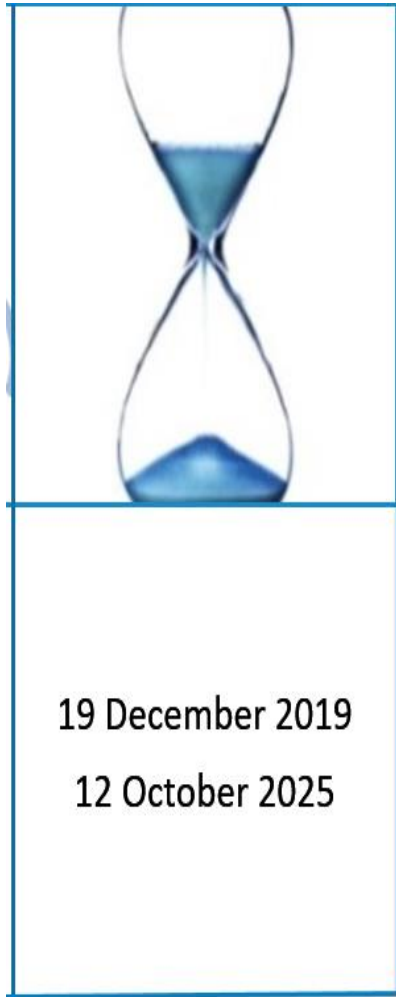

Started on 31.07.2025

Ongoing

Under discussion

Started on 31.07.2025

Despite a few months remaining under the EU CORSIA AFRICA AND CARIBBEAN Project...during the last days

New request of assistance for Barbados on CORSIA expressed through ICAO NACC Office

Request from Saint Lucia to ease the communication with Ministry of Environment and work with carbon market plans

Please feel free to raise your request, EASA will do the best to accommodate and assist you
