Required: **To save the dates**

Dear Sir/Madam,

As announced during last year's Directors of Civil Aviation (DCA) meeting, this year's DCA will be graciously hosted by Antigua and Barbuda from 1-5 June 2026. Please note that the Directors' Meeting will commence on the morning of Monday June 1 and conclude around mid-day on June 3.

In addition to the NACC/DCA meeting, the United Arab Emirates has kindly offered to sponsor a 2.5-day workshop to be held in the afternoon of 3 June and on 4 and 5 June 2026. Entitled Effective Delegation and Regional Cooperation, this high-level interactive workshop will focus on the principles of delegation, State responsibility, and sovereignty under the Chicago Convention. During this workshop, participants will examine how delegation to regional organizations can support States in meeting their safety oversight and/or accident investigation obligations. The workshop will be in English only and is intended for Directors General, Heads of Safety and/or Accident Investigation Organizations, policymakers, and representatives of Regional Safety Oversight Organizations (RSOOs) and Regional Accident Investigation Organizations (RAIOs).

The meeting agenda, workshop registration and general information will be sent at a later date. Please save the dates of these important events.

Accept, Sir/Madam, the assurances of my highest consideration.

  
Christopher Barks  
Regional Director  
North American, Central American and  
Caribbean (NACC) Regional Office
