

NACC/WG/11

Eleventh North American, Central American and Caribbean Working Group Meeting
Décimo Primera Reunión del Grupo de Trabajo de Norteamérica, Centroamérica y el Caribe

Guatemala City, Guatemala
21 to 25 September 2026 | 21-25 Septiembre de 2026

Auspiciada por

NACC/WG/11 Objectives

Eleventh NACC Working Group Meeting

Luis R. Sanchez

Regional Officer, Aeronautical Meteorology/Environment

International Civil Aviation Organization North American, Central American and Caribbean Regional Office

Purpose of the Meeting

The main regional mechanism for air navigation coordination

- ☐ Convenes States, Territories, International Organizations, ANSPs, industry and strategic partners
- ☐ Coordinates regional air navigation initiatives across the NAM/CAR Regions
- ☐ Reviews implementation progress and defines joint regional actions
- ☐ Aligns work with the Global Air Navigation Plan, the ASBU framework and GREPECAS priorities
- ☐ Sponsored by the DGAC of Guatemala and COCESNA; organized by the ICAO NACC Regional Office

Strategic Objectives and Current Regional Priorities

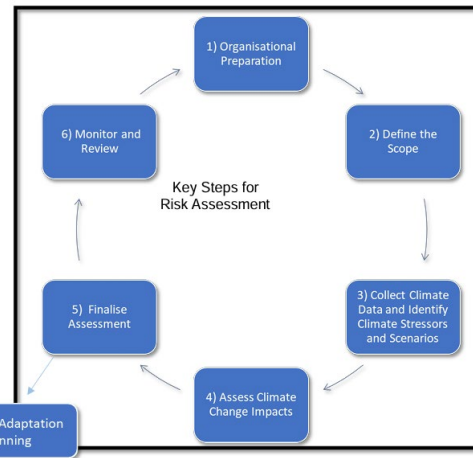

01 Regional Harmonization - Strengthen harmonized implementation across NAM/CAR and SAM

02 Integrated ANS Coordination - Promote coordinated regional action across all ANS disciplines

03 GANP Version 8

Align regional implementation planning with the latest evolution of the GANP and PBA.

04 Operational Resilience

Ensuring continuity of ANS under increasing operational challenges

05 Digital Transformation of ANS

Accelerating the transition towards a more connected, data-driven and interoperable environment.

06 GNSS and Spectrum Protection

Protecting the foundations of modern air navigation against emerging threats and vulnerabilities.

Draft Agenda

Eight agenda items, Guatemala City, 21 to 25 September 2026

Governance and Administration:

- **Item 1** Review and approval of the agenda, work modality and schedule
- **Item 7** Election of the NACC/WG Chairperson and Vice Chairperson for 2027-2030
- **Item 8** Other business

Review and Coordination

- **Item 2** Follow-up to previous NACC/WG, GREPECAS and NACC/DCA conclusions and agreements
- **Item 3** Progress of the NACC/WG Task Force action plans and regional work

Strategic Discussions

- **Item 4** Regional integration of GANP Version 8 and performance-based planning
- **Item 5** CNS/ATM modernization, digital transformation and ANS cybersecurity
- **Item 6** Recommended priority topics for concrete outcomes

Modernization

Digital transformation of ANS

- SWIM and MET digitalization through IWXXM
- Surveillance and ADS-C/CPDLC data link
- IP/MPLS networks and Voice over IP for ANS

Resilience

Protecting regional operations

- GNSS resilience and interference mitigation
- Minimum Operational Network (MON) continuity
- Aeronautical spectrum protection and ANS cybersecurity

Deliverables and Participation

Expected regional outcomes

- ☐ Joint regional air navigation plans
- ☐ Implementation roadmaps for the NAM/CAR Regions
- ☐ Permanent technical coordination mechanisms
- ☐ Exchange of operational information
- ☐ Integrated proposals for regional interoperability

Leadership

Rapporteurs, Chairperson and Vice-Chairperson

Task Forces

Experts in ATM, AIM, CNS, AGA and MET

States

Air Navigation Directors and project managers

Industry

Partners and service providers of the region

Active Participation of the Industry

Task Force Progress

Experiences, solutions and lessons learned on regional implementation

GANP Version 8

Technical perspectives, global trends and new operational concepts

CNS/ATM Modernization

Emerging technologies and digital innovation for air navigation

Operational Resilience

Modernization solutions that strengthen interoperability and resilience

Priority Outcomes

Technical cooperation, support and financing opportunities for the region

Strategic Partnership

Coordination with international organizations and strategic partners

Conclusions and Decisions

A work session led by the Chairperson and the Rapporteurs

- ☐ The Chairperson and the Rapporteurs will lead a dedicated work session to elaborate the conclusions and decisions of the meeting
- ☐ Drafting will be based on the outcomes obtained under each agenda item
- ☐ An active discussion is expected, with the participation of all delegations
- ☐ Task Forces contribute the results and follow-up actions of their action plans
- ☐ Agreed conclusions and decisions will be read at the closing session

Expected Final Outcomes

9

Results to be delivered by the NACC/WG/11

- ☐ NACC/WG work programme for 2026 to 2027
- ☐ Activities in common between the different Task Forces
- ☐ Updated action plans for each Task Force
- ☐ Support to the NACC regional initiatives
- ☐ Common activities between the NAM, CAR and SAM Regions
- ☐ Possible projects to be proposed to GREPECAS
- ☐ Lessons learned shared among States, ANSPs and industry
- ☐ Other outcomes arising from the discussions of the Meeting.

Election of the Chairperson 2027-2030

Agenda Item 7

Election of the new Chairperson and Vice-Chairperson of the NACC/WG

Term of Office

Three-year period from 2027 to 2030, starting after NACC/WG/12

Nominations

Candidates proposed by States and Territories accredited to the meeting

Election Process

Conducted by the delegations under ICAO procedures and regional practice

Leadership Role

Guide the regional work programme and chair future NACC/WG meetings

Continuity

Ensure smooth transition and continuity of the NACC/WG Task Force work
