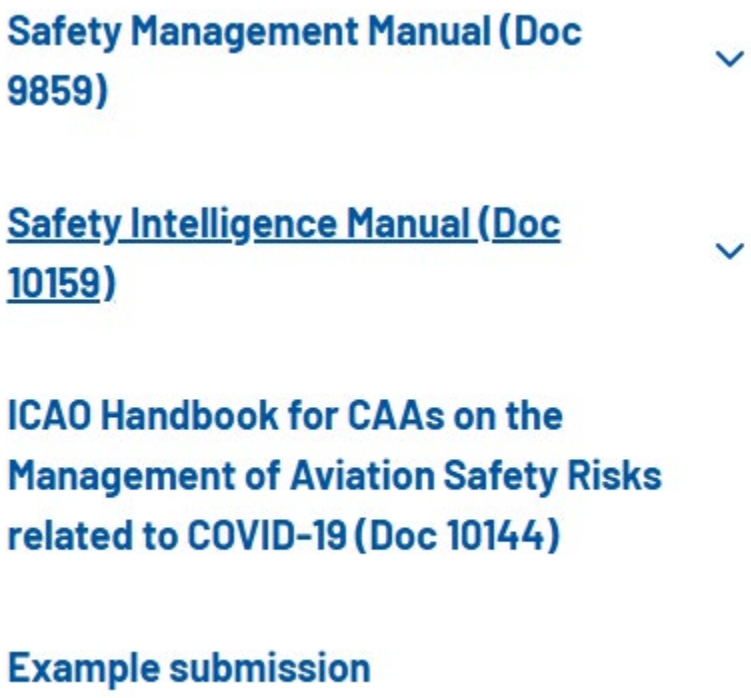
Navigating the Safety Management Implementation Website

1. Accessing Website Content

To view the contents of the website, use the **left-hand navigation menu**.

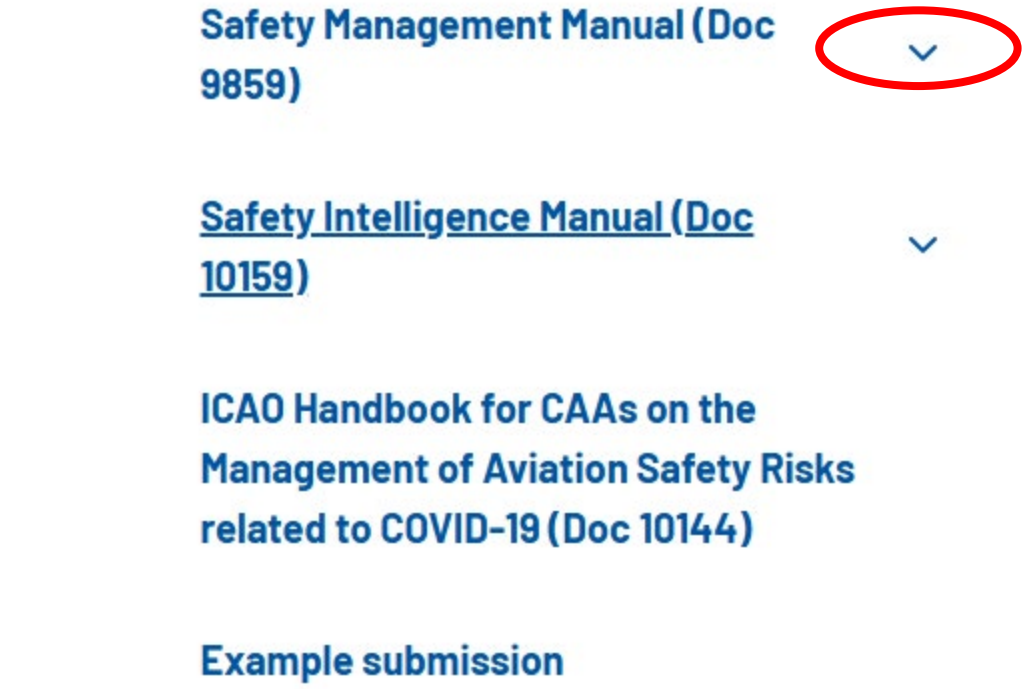


---

2. Viewing Manual Structure

To access the contents of the **Safety Management Manual (Doc 9859)** and **Safety Intelligence Manual (Doc 10159)**:

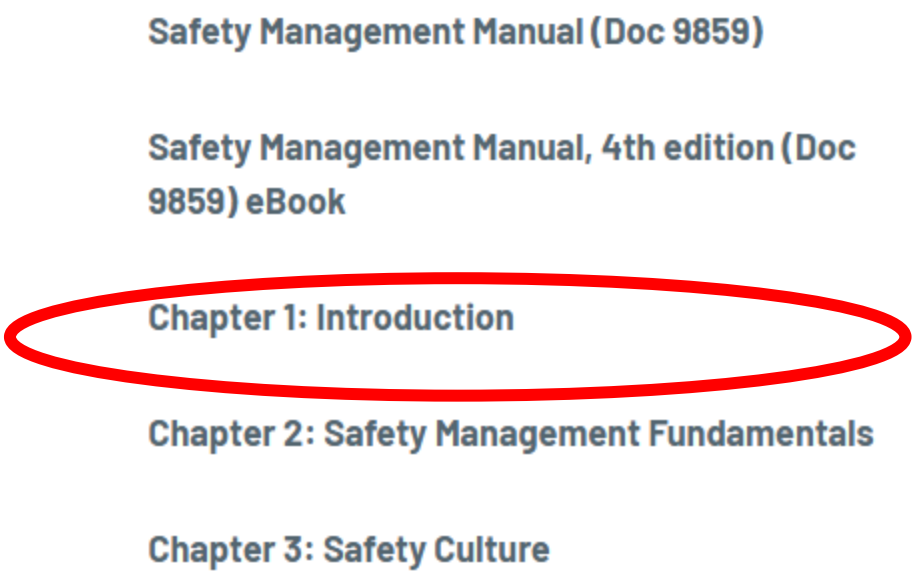
- Click on the **arrow** to the right of the menu item
- This will expand a **drop-down menu** showing the chapters and sections



---

3. Selecting a Chapter or Section

- Click on the desired chapter or section from the drop-down menu
- For example, to view examples under **Chapter 1**, select *Chapter 1* from the list



4. Viewing Examples Within Chapters

To view examples within a selected chapter:

- Click on the **“+” symbol** next to the section
- This will expand the section to display available examples and content

5. Navigating Between Sections

To move to another section:

- Return to the **left-hand navigation menu**
- Select a different chapter or topic
