2021: The Year of Security Culture

- Launched by the Secretary General during the fourth annual ICAO Global Aviation Security Symposium (AVSEC2020) on 18 December 2020

- <u>Objectives</u>:
  - To encourage the aviation industry to think and act in a **security-conscious manner**
  - To **raise security awareness** in aviation operations - achieving a balance of security, safety, facilitation and the passenger experience
  - To promote an effective and sustainable security culture, as a critical core value endorsed from top management: ***"security is everyone's responsibility"***

YOSC: Secretariat Support

- **ICAO Security Culture Website**: articles, guidance, toolkits, videos, web links
  - ➢ ICAO Toolkit on Enhancing Security Culture
  - ➢ ICAO Security Culture Campaign "Starter Pack"
  - ➢ ICAO Top tips on developing an effective security culture
- **ICAO Security Culture Workshop** and other training support
- **Shareable resources**: YOSC signature blocks and PPT templates
- **ICAO e-learning packages** and **films** on security culture (under development)

YOSC: Global Efforts

- Global efforts by Regions, States, Industry and Organizations are essential to help **promote** the YOSC and to **build momentum** towards a positive security culture at our airports

- Your **support** and **feedback** is needed:
  - ✓ to establish a calendar of worldwide practical security culture events
  - ✓ to identify areas where ICAO might want to encourage States to take action to support the YOSC
  - ✓ to promote local airport security culture campaigns and the benefits of a positive security culture

YOSC: Practical Actions

- Practical actions that States and Industry could take include:
  - ➢ High-level **leadership** support and endorsement of policies and procedures that define security culture
  - ➢ Regular **communications** and **advertising material** on the importance of specific security measures
  - ➢ Security awareness **briefings** to all aviation stakeholders
  - ➢ Initial/recurrent **training** on security culture and continuous learning activities
  - ➢ Utilizing **e-learning tools** and **digital media** that reinforce security culture messages
  - ➢ Leveraging internal staff **communication platforms** such as intranet articles, newsletters, brochures and videos that promote a positive security culture
  - ➢ Establishing a **reporting framework** that affords protection to reports and their sources.
