Action requested: Participants to register online by 30 August 2024

Sir/Madam,

I have the honour to invite your Administration to participate in the ICAO Workshop on the Regional Aviation Safety Plan (AFI-RASP) and the implementation of a National Aviation Safety Plan (NASP), to be held in Banjul, The Gambia, from 16 to 20 September 2024.

The workshop is intended to sensitize stakeholders on the AFI-RASP; and develop competencies for personnel involved in the planning and implementation of a national aviation safety plan, in alignment with the ICAO Global Aviation Safety Plan (GASP) and the Regional Aviation Safety Plan. This includes identifying national operational safety risks and other safety issues, such as challenges related to the State Safety Programme (SSP) implementation, and planning initiatives to address them.

The workshop will also address the State's strategic approach to managing safety in civil aviation, including national safety goals, targets and indicators. This event is intended for flight operations and safety management specialists, civil aviation safety inspectors, airline safety managers, representatives from organizations involved in accident and incident investigation, and other aviation stakeholders. The workshop will be conducted in the English and French languages with simultaneous interpretation.

The agenda, the programme and the information bulletin are provided as attachments. The workshop material will be published on the ICAO WACAF website at <https://www.icao.int/WACAF/Pages/ICAO-AFI-RASP-NASP-2024.aspx> as they become available. Please also note that, considering the availability of material in electronic format, no hard copies will be distributed during the event.

Your Administration/Organization is kindly invited to designate appropriate candidates in line with the prerequisites described above. Participants should complete an online registration, using the link provided above, not later than **30 August 2024**.

Please contact Mr. Kebba Lamin Jammeh (kjammeh@icao.int), Regional Officer, Flight Safety, for further information.

Please accept, Sir/Madam, the assurances of my highest consideration.

Prosper Zo'o Minto'o
Regional Director
