22 October 2025

Subject: Virtual Workshop on Aeronautical Frequency Management for the WACAF Region, from 4 to 5 December 2025.

Action requested: Register online, preferably not later than 17 November 2025

Sir/Madam,

I have the honour to invite your Administration/Organization to participate in the virtual workshop on the management of aeronautical frequencies in the WACAF region, to be held virtually **from 4 to 5 December 2025, from 09:00 to 13:00 UTC**.

The objective of this workshop is to strengthen States' capacities in aeronautical frequency management, improve the reliability of regional data and foster coordination among stakeholders in addressing challenges related to frequency interference. The provisional work programme is attached for your information. The workshop will be conducted in both English and French, with simultaneous interpretation.

The workshop is intended for experts from Civil Aviation Authorities responsible for aeronautical frequency spectrum management, aircraft operators, air navigation service providers (ANSPs), aerodrome operators, and other air service providers utilizing aeronautical frequencies. National authorities in charge of radio spectrum management are also invited to participate.

Participants are kindly invited to register online, preferably no later than **17 November 2025** at https://icao.zoom.us/meeting/register/dbSnIedSa6DEn_rxXg6w.

Please accept, Sir/Madam, the assurances of my highest consideration.

Romain Ekoto
Regional Director
