

Ms. Kennedy Carrillo was appointed Representative of Belize on the ICAO Council on 30 September 2025.

Prior to her appointment, Ms. Carrillo held significant leadership roles within the government of Belize. She was Chief Executive Officer in the Ministry of Blue Economy and Civil Aviation (2020-2024) and later CEO in the Ministry of Blue Economy and Disaster Risk Management in 2025.

During her tenure as CEO, she represented Belize on the Central American Air Navigation Services Corporation (COCESNA) Board (2020-2024). She was responsible for leading policy and legislation development, as well as strategic planning for the Ministry of Civil Aviation. Her efforts were instrumental in advancing the modernization of aviation in Belize.

She was one of the lead negotiators in the acquisition of Belize's first-ever primary surveillance radar and upgrading of the country's air navigation system to ensure harmonization with the other countries in the region.

In addition to her executive responsibilities, she served as a member of the Belize Airports Authority Board and the National Aviation Security Committee.

Ms. Carrillo holds a Bachelor's Degree from the University of Louisville and a Master's Degree from the University of the West Indies in Psychology. She also completed the Aviation Leaders Program in Public Policy Course at Singapore's Aviation Academy in 2023.
