

Raimund Kamp has been appointed Permanent Representative of the Federal Republic of Germany to the ICAO Council on 1 June 2026.

With over 20 years of experience in aviation policy, he has held senior positions at the German Federal Ministry of Transport, most recently as Deputy Director for Aviation Safety.

His expertise spans aviation safety management, regulatory frameworks, and international cooperation. Mr. Kamp also served as Counselor for Transport Affairs at the German Embassy to the United Arab Emirates. A fully qualified lawyer, he brings extensive legal, technical, and diplomatic expertise to advancing global aviation safety and cooperation.
