

Mr. Mateusz Bączkowski was appointed as the Representative of Poland on the ICAO Council in October 2025.

He has extensive experience in public administration and aviation. As Deputy Director General of Civil Aviation at the Polish Civil Aviation Authority, he oversees air transport, legal and regulatory issues, passenger rights, and economic oversight.

He is a member of the ICAO Air Transport Regulation Panel and regularly represents Poland at international events and within international organisations.

Prior to his current appointment, he was the General Counsel at LOT Polish Airlines and the Polish Aviation Group, overseeing mergers, compliance, and regulatory affairs. He was also a member of IATA's Legal Advisory Council and the Star Alliance Legal Committee.

Mr. Bączkowski holds a Master of Laws from the University of Warsaw. He also completed the Business Leader Development Programme at the University of Oxford and the ICAO-SAA DGCA Programme on Aviation Safety.
