

Mr. Kabbs Twijuke was appointed as the Representative of Uganda on the ICAO Council in September 2025.

Prior to his current role, Mr. Twijuke was a Member of the Air Navigation Commission (ANC) (2016-2025), served as Representative of Uganda on ICAO Council (2008-2013) and subsequently as Representative of Uganda to ICAO. Throughout these roles, he has developed significant expertise in the development, adoption and implementation of ICAO Standards and provisions.

Mr. Twijuke's aviation career commenced in 1979, when he began as a Planning Engineer Trainee. He advanced to the role of Manager for Engineering Development and Planning in 1990. In 1991, he joined the Uganda Civil Aviation Authority (CAA) as Director of Air Transport. By 2004, he had been appointed as the Director for Safety and Security Oversight as well as Economic Regulations, further expanding his leadership responsibilities in the aviation sector.

Mr. Twijuke holds an Honours Bachelor of Science Degree in Mechanical Engineering from Makerere University in Uganda. He also earned a Master of Science Degree in Air Transport Engineering from Cranfield Institute of Technology in the United Kingdom. He is a Fellow of the prestigious Hubert Humphrey Fellowship Program in the United States (FAA and American University), and a Fellow of the Royal Aeronautical Society in the United Kingdom.
