

## **ICAO Action**

The safety recommendation was referred to the Flight Recorder Specific Working Group (FLIRECSWG) for consideration during its meeting in October 2019, and the conclusion of the deliberations will be submitted to the Air Navigation Commission in June 2020. It is expected that a final reply by ICAO will be sent in July 2020.

## **Subsequent Action**

The FLIRECSWG considered the safety recommendation from Iceland during its meeting in October 2019. The final reply will be sent to Iceland in July 2020, following the review of the FLIRECSWG/12 Report by the ANC.
