Safety Recommendation (2009-007)

It is recommended that the International Civil Aviation Organization (ICAO), the Federal Aviation Administration (FAA) of the United States and European Aviation Safety Agency (EASA) jointly promote the holding of an international conference, to be attended by every civil aviation representative organization, such as authorities, industry, academic and research institutions, professional associations and the like, for the purpose of drafting directives on good industry practices in the area of aviation operations as they apply to checklist design, personnel training and improved procedures and cockpit work methods so as to ensure that crews properly configure aircraft for takeoffs and landings.
