# Strengthening National Air Transport Facilitation Committees for the Re-start and the Resilience of Civil Aviation

This Implementation Package (iPACK) is a self-contained package to facilitate and guide Civil Aviation Authorities (CAAs) in the implementation of ICAO provisions. A dedicated expert will work remotely with the CAA, coaching and guiding their implementation efforts to achieve the objectives of the iPACK.

## ▶ GOAL

Apply Annex 9 provisions for the establishment and operation of a resilient and robust National Facilitation Committee with full collaboration and cooperation with all stakeholders including Public Health authorities with remote communication protocols in response to pandemics.

## ▶ OBJECTIVES

After having successfully implemented this iPACK, CAAs and/or lead agencies in charge of coordinating, drafting, and implementing the National Air Transport Facilitation Programme (NATFP) will be better equipped to:

- 1) Develop or review and update existing national provisions related to the establishment of a NATFP;
- 2) Develop or review and update existing national provisions for the establishment of National Air Transport Facilitation Committees and Airport Facilitation Committees; and
- 3) Establish a reporting and coordination mechanism between the CAA and other involved key stakeholders in light of COVID-19.

## ▶ TARGET AUDIENCE

- Civil Aviation Authorities; and/or
- Lead agencies in charge of coordinating, drafting, and implementing the NATFP.

## ▶ COMPONENTS

- ICAO Annexes containing Standards and Recommended Practices (SARPs);
- Guidance material, including ICAO Manuals, Handbooks, Circulars and practical examples of implementation as well as other associated guidance material;
- Standardized and competency-based training in online or virtual formats;
- Tools, including applications, online reporting systems, information management systems, data analysis tools to support data-driven decision making or questionnaires/surveys; and
- Dedicated subject matter expertise provided remotely.

## ▶ DELIVERY REQUIREMENTS

- Computer/ laptop (Windows 7.0 or higher or Mac 10.10. or higher) per participant with multimedia capabilities for interaction (audio, microphone, web camera);
- Internet connection (bandwidth 2.0 Mbps or higher);
- Supported browsers: Windows: Edge 12+, Firefox 27+, Chrome 30+; Mac: Safari 7+, Firefox 27+, Chrome 30+; Linux: Firefox 27+, Chrome 30+; and
- Teleconferencing software: Any teleconferencing software selected and managed by the Instructor in coordination with Training Center.
