Ref.: RT 3/3: AP 0020/19 (RSO)

1 March 2019

Subject: GBAS/SBAS Implementation Workshop
(Seoul, Republic of Korea, 3-5 June 2019)

Action required: Please respond by **17th May 2019**

Sir/Madam,

I have the honor to invite your State/Administration to participate in the ground-based augmentation system (GBAS)/satellite-based augmentation system (SBAS) implementation workshop, graciously hosted in Seoul by the Ministry of Land, Infrastructure and Transport (MOLIT) of the Republic of Korea from 3 to 5 June 2019.

As described in the Global Air Navigation Plan (Doc 9750), the use of Performance Based Navigation (PBN) with GBAS and SBAS will enhance the reliability and predictability of approaches to runway, thus increasing safety, accessibility and efficiency.

Several States in the APAC region have taken the decision to implement GBAS station or SBAS system, and some other States are conducting some feasibility studies and trials. New challenges will appear when dealing the implementation of these new operations. The aim of this workshop is to learn from the experiences of other regions who have already implemented these systems and understand how they dealt with the challenges and overcame them. The workshop will provide an opportunity to look over the overall topics related to GBAS/SBAS implementation from various perspectives of stakeholders, i.e. regulators, service providers, system manufacturers and airspace users.

Enclosed herewith are the Programme of GBAS/SBAS Implementation Workshop (Attachment A), Registration Form (Attachment B), and Meeting Bulletin (Attachment C). I am requesting that you kindly complete the Registration Form attached and submit to the ICAO APAC Regional Sub-Office at APAC-RSO@ICAO.int **by 17 May 2019**.

Accept, Sir/Madam, the assurances of my highest consideration.

Yours sincerely,

Arun Mishra
Regional Director
