EXPLANATORY NOTES ON THE DRAFT AGENDA

Agenda Item 1: Terms of reference and work programme as defined by APIRG/12

The meeting will take note of the Terms of reference and work programme adopted by APIRG/12. It may wish to propose amendments to its work programme based on the work of ALLPIRG.

Agenda Item 2: Review of the status of implementation of Conclusions/Decisions of the previous meeting

The Meeting will review the status of implementation of conclusions and decisions adopted at its last meeting.

Agenda Item 3: Review of the reports of ICGs and Status of implementation of the AFI CNS/ATM Plan

The Sub-group will consider the reports of the Implementation Co-ordination Groups (ICGs) which have met, namely ICG-1, ICG-4, ICG-10.

Agenda Item 4: Development of the Surveillance Plan for the AFI Region

The meeting will consider and complete the draft Surveillance Plan for inclusion into the AFI ANP.

Agenda Item 5: Review of the report of the GNSS Study Group

The meeting will review the activities of the GNSS Study Group and decide on the establishment of the GNSS Task Force.

Agenda Item 6: Review and update of the CNS/ATM Implementation Plan

The Sub-group will review and update as necessary, the AFI CNS/ATM Implementation plan taking into account Agenda Items 2, 3, 4, 5 and:

- a) the ICAO *Global Air Navigation Plan for CNS/ATM Systems*, (Doc 9750), First Edition, 2000;
- b) the results of ALLPIRG/4;
- c) the inputs from the ATS/AIS/SAR/SG/6 Meeting;
- d) the inputs from the COM/SG/5 Meeting; and
- e) the CNS/ATM Implementation Plans of adjacent regions.

CNS/ATM/IC/SG/2-WP/1

Agenda Item 7: Incorporation of the CNS/ATM Plan elements into the AFI ANP and FASID

The meeting will review proposals fore the inclusion of elements of the CNS/ATM Plan into the AFI ANP and FASID. This task will be done following the work done by the CAR/SAM/3 RAN Meeting

Agenda Item 8: Briefing on CNS/ATM trials in the AFI Region

States and organizations conducting or planning to conduct CNS/ATM trials are invited to inform the meeting on their projects.

Agenda Item 9: Future work programme

The meeting will consider in its future work programme the remaining tasks and any new task to be proposed to APIRG/13.

Agenda Item 10: Any Other Business

The meeting will consider any other item pertinent to its terms of reference or work programme.
