Ref: AFI Plan/0111

25 February 2014

Subject: Training Courses under the AFI Plan in 2014

Action Required: *Submit your application on or before the stated deadline to the relevant ICAO Endorsed Training Centres*

Sir/Madam,

I have the honour to inform you that the International Civil Aviation Organization (ICAO), under the Comprehensive Regional Implementation Plan for Aviation Safety in Africa (AFI Plan), is coordinating the scheduling of various courses to be conducted in 2014 with the ICAO-Endorsed Government Safety Inspector (GSI) Training Centres and other TRAINAIR PLUS members.

According to the new ICAO Training Policy (EB 2013/54 refers) which took effect on 1 January 2014, most of the training courses will only be conducted at training centres (the ICAO-GSI Endorsed Training Centres or TRAINAIR PLUS). Therefore, kindly find attached the schedule of training courses under the AFI Plan for your information and action. The list will be updated on a regular basis and published on the AFI Plan web page. Prospective candidates should contact the ICAO-Endorsed GSI Training Centres directly, through their States, for more details regarding course prerequisites, application modalities, tuition fees and related administrative costs using the contact details indicated on the schedule of courses. The schedule is also available on the AFI Plan web page <http://www.icao.int/ESAF/Pages/meetings.aspx>.

Accept, Sir/Madam, the assurances of my highest consideration.

Meshesha Bejayneh
ICAO Regional Director
Eastern and Southern African Office
