**Subject: Bird and Wildlife Hazard Management and Control (BWHM) Workshop
(Entebbe, Uganda, 23 to 25 March 2020)**

Action required: Reply at your earliest convenience, preferably not later than 22 February 2020

Sir/Madam,

I wish to inform you that ICAO is organizing a Bird and Wildlife Hazard Management (BWHM) Workshop for ESAF States hosted by the Uganda Civil Aviation Authority (UCAA). The Workshop will be held at the **Protea Hotel, in Entebbe, Uganda, from 23 to 25 March 2020**.

The objective of this workshop is to raise awareness about BWHM best practices, and to promote techniques and strategies related to BWHM. Your Administration is hereby invited and encouraged to participate actively through PowerPoint or other presentations addressing the BWHM experiences including challenges/difficulties, as well as lessons learnt. It will be greatly appreciated if we receive your presentations by **22 February 2020**, in order to permit timely processing and posting on the ICAO ESAF website, at: <https://www.icao.int/ESAF/Pages/meetings.aspx>.

To achieve maximum benefits, I would urge participation of the relevant stakeholders such as aerodrome operators, air operators, ground handling service providers, air navigation services providers, environmentalists, and wildlife protection organizations.

Considering the need to expedite administrative arrangements for this workshop, we would greatly appreciate if you could inform this Office of your nominations for the Workshop, as well as the names of your delegates at the earliest possible, but not later than **22 February 2020**, at icaoesaf@icao.int; copy to eomuya@icao.int; and rmuhanji@icao.int. For this purpose, please find enclosed the corresponding registration form.

The provisional agenda/programme overview as well as information bulletin will be forwarded later.

Yours sincerely,

Barry Kashambo
Regional Director
