CONTENTS

1. **Introduction.**
2. **Proflight Zambia Security Culture**
3. **Conclusion.**

INTRODUCTION

- **Proflight Zambia Management would like to thank the Zambian Civil Aviation Authority and The International Civil aviation Organisation for the Honor of being asked to do a presentation on what the Airline is doing in promoting the ICAO Aviation security culture.**

- **Proflight Zambia is a private scheduled Aircraft Operator based in Zambia and was established 30 years ago. The Airline is involved in domestic and regional operations.**

- **Proflight Zambia has an Aircraft Operator Certificate that is issued by the Zambia Civil Aviation Authority annually upon meeting Regulatory requirements which covers Aviation security.**

Proflight Zambia Aviation Security Culture

- **The Accountable Manager for Security is the Chief Executive Officer and has delegated the Director of Safety, Quality and Security for its implementation assisted by the Security Manager who coordinates all Aviation security matters within the Proflight and with other stakeholders.**

- **Proflight Zambia has embarked on promoting the security culture by building awareness among all staff through Aviation security training that is undertaken for all staff parting away from the traditional position of only training frontline staff.**

- **The Aviation security training has been given to majority of staff.**
