

**First ATM/CNS/SAR Multilateral Coordination and Implementation  
Meeting Argentina/Brazil/South Africa/Uruguay**

**DRAFT AGENDA**

Agenda Item 1: **Revision of Operational Letters of Agreement**

Johannesburg ACC /Brasilia ACC  
Johannesburg ACC /Ezeiza ACC  
Johannesburg ACC / Montevideo ACC  
Johannesburg ACC / Comodoro Rivadavia ACC

Under this agenda item, the operational letters of agreement will be presented for revision and further signature, between the control centres of Johannesburg Oceanic with Brasilia, Ezeiza and Montevideo, in relation to the air traffic operating in the South Atlantic oceanic areas of the Flight Information Regions under responsibility of such control units.

Agenda Item 2: **Revision of the communications, navigation and surveillance aspects (areas) in the South Atlantic oceanic areas of the Brasilia, Comodoro Rivadavia Ezeiza, Johannesburg Oceanic and Montevideo FIRs**

Matters related to aeronautical fixed and mobile services communications, navigation as well as perspectives on the provision of surveillance in the concerned airspaces, will be dealt with under this agenda item.

Agenda Item 3: **Revision of the search and rescue service provision in the South Atlantic oceanic areas of Brasilia, Comodoro Rivadavia Ezeiza, Johannesburg Oceanic and Montevideo FIRs**

Under this agenda item, the minimum requirements for the provision of the search and rescue services provision will be revised, and the perspectives for the future provision of this service in the South Atlantic oceanic areas of the Brasilia, Ezeiza, Johannesburg Oceanic and Montevideo FIRs, will also be revised.

Agenda Item 4: **Other matters**

Other matters which have not been dealt with in the above mentioned agenda items.
