

**INTERNATIONAL CIVIL AVIATION ORGANIZATION**

**CAR/SAM AIS/ATM/CNS 02/00 Informal Meeting**

(Cayenne, 27-29 March 2001)

**Item 2 d): Implementation of Cayenne-Macapa and Cayenne-Fortaleza routes**

(presented by France)

**Implementation of Cayenne-Macapa and Cayenne-Fortaleza ATS routes**

**Summary**

This working paper proposes Brazil to implement both ATS routes Cayenne-Macapa and Cayenne-Fortaleza.

**1. Introduction**

- 1.1 During SAM 64/96 informal ICAO meeting held in Belem in July 1996, agreement was given both by France and Brazil to implement Cayenne-Macapa and Cayenne-Fortaleza ATS routes. Despite further messages to DEPV, France is still waiting for information concerning the date of these two implementations.

**2. Suggested action**

- 2.1 To know when Brazil intends to implement these two ATS routes, and to have confirmation of coordinates and five letters code of transfer points.
