requested: Reply as soon as possible

I have the honour to address you this letter to refer to my letter LT 2/3.83-SA1168 dated 18 December 2000 inviting you to participate in the Regional Coordination Meeting in preparation for the ITU WRC-2000 (Lima, 27 to 28 March 2001), as well as in the Sixth meeting of the AMCP Working Group F (Lima, 29 March to 4 April 2001).

It is important to remember that the discussions during the Sixth Meeting of Working Group F will be carried out only in English, and States not members of the Group, are invited to participate as observers.

Please find attached herewith IP/1 containing general information on the mentioned meetings. At the ICAO Regional Office Web page <http://www.lima.icao.int> you will find additional information.

In this regard, please note that until now no reply has been received from your State on your plans to attend the mentioned Meetings, and due to the need to finalize the corresponding administrative matters for the celebration of the meeting, I would highly appreciate receiving your information on the participation of your State in the meetings of reference.

Accept, Sir, the assurances of my highest consideration.
