EXPLANATORY NOTES

Agenda Item 1: Review of the Second Coordination Meeting

A review will be made to the subjects dealt with during the Second Coordination Meeting held in Rio de Janeiro from 28 to 30 August 2002.

Agenda Item 2: Report on activities carried out to date

The meeting will take note of the activities carried out to date in the execution of RLA/00/009 project. Results from the data recorded at the TRS stations will be presented, as well as of the studies on scintillating effects for NPA navigation systems. In addition, the progress obtained in establishing the CSTB communications platform through REDDIG will be informed upon.

Agenda Item 3: Review of activities scheduled in the project document and their reformulation

The results and pending activities in the project document will be reviewed upon.

Agenda Item 4: Financial situation of the project

The meeting will take note of the project's financial situation, receiving specifications of expenses incurred to date, as well as participating States' status of contributions.

Agenda Item 5: Other matters

An analysis will be made of other matters related with the project, which might arise and were not originally foreseen, as well as those that might originate due to their reformulation.
