Sir,

I have the honour to address you this letter to refer to my letter LN 2/24.1-SA209 sent on 8 April 2009 by this Office on the above-mentioned subject. To this end, I am attaching the preliminary agenda and Information Paper containing general information of the event, such as site of the meeting, list of recommended hotels, and other general information of interest of the ADS-B Seminar, to be held in Lima, Peru, from 3 to 5 June 2009, as part of the activities of Regional Project RLA/06/901 - *Assistance in the implementation of a ATM regional system according to the ATM operational concept and the corresponding technological support for communications, navigation, and surveillance (CNS)*.

As informed in the above-mentioned letter, the objective of the ADS-B trial consists in disseminating ADS-B technology with the aim that SAM States can received training on the operation of these systems, become aware of the aspects necessary for their implementation, evaluate ADS-B performance and the capability of applying an ADS-B system for radar surveillance or separation application purposes.

The workshop/seminar will be addressed to professionals in the area of air navigation services planning, with experience in the radar surveillance system.

Again, I inform you that the members of Project RLA/06/901 will have two fellowships by participating States. As expressed, I am pleased to invite your administration to propose participants, keeping in mind that the reservations of vacancies will be on a first-come first-serve basis until completing the available space. For this reason I will highly appreciate your informing me as soon as possible whether your administration shall send participants, submitting, if such were the case, the attached fellowship form, not later than **15 May 2009**.

In view of the above, the following financing alternatives should be considered:

- a) Fellowships from an ICAO Project approved for your State.
- b) Fellowships chargeable to a Trust Fund Agreement established with your administration.
- c) Two fellowships sponsored by Regional Project RLA/06/901, if your State does not count with any of the previous alternatives, on a first-come first-serve basis, having the interested administration to provide the air tickets to and from the host country.
- d) Own resources of your administration, in the lack of any of the previous alternatives.

Accept, Sir, Madame, the assurances of my highest consideration.
