LE 4/28 – SA331

1 June 2011

To: Mr. Pierre Dubois, West Indies and French Guyana Civil Aviation Director
Mr. Zulficar Mohamed, Interim General Director, Guyana
Mr. Stanley Betterson, Acting Director of Civil Aviation, Suriname

Subject: **VIII ALACPA Seminar of Airport Pavements / FAA - airport pavements software / I Short Course for Airfield Pavement Maintenance**
(Buenos Aires, Argentina, 30 August - 2 September 2011)

Action
required: Your answer *not later than 15 July 2011*

Sir,

I have the honour to inform you that ALACPA, together with ICAO, FAA and ACI/LAC, is organizing **VIII ALACPA Seminar of Airport Pavements / FAA - airport pavements software / I Short Course for Airfield Pavement Maintenance**, to be held in Buenos Aires, Argentina, from 30 August to 2 September 2011.

The participants will have the opportunity to learn new construction and maintenance techniques, new design methodology and the latest developments in equipment and materials. The Seminar will feature international experts who will share their experience and knowledge. This is a key event for airport infrastructure managers, engineers, technicians, consultants and all of those who provide services related to the aeronautical industry.

The fundamental objective of these events is to exchange technical experience so all the participants have the possibility of improving airport pavements, and, thus, contribute to maintain the safety of the airports in the Region.

The speakers come from a variety of organizations and institutions, with recognized

experience in airport subject matters. Also, this Seminar will provide the opportunity to delegates to participate in a quick course for airfield pavement maintenance, very useful for all. Civil aviation authorities, airport operators, international organizations regional representatives, professors (academy), software providers, consultants, contractors, etc, are being invited. Languages of the workshops will be English and Spanish with simultaneous interpretation.

The Civil Aviation Authorities from the Americas NAM/CAR/SAM Regions are exempted from the registry/membership quota for their participation in the seminar. For this reason, it is being requested to send the registration form attached to this letter duly completed directly to ICAO in order to be able to exonerate this payment. Kindly send the attached registration form as soon as possible, but **not later than 15 July 2011**.

In a later communication we will send you the general information and tentative agenda for the workshop.

For any additional information, please contact Ms. Lia Ricalde, Regional Officer Aerodromes and Ground Aids (lricalde@lima.icao.int) or her assistant, Ms. Deborah Coriat (dcoriat@lima.icao.int).

Accept, sir, the assurance of my highest consideration.

Franklin Hoyer
Regional Director
South American Office
Lima
