

Jan Scholz

Jan Scholz joined EUROCONTROL in August 2005 as Military Expert and Team Leader CIMACT (Civil-Military ATM Coordination Tool), to promote system support for civil-military coordination in Europe. In 2009 he joined the Directorate for Civil/Military ATM Coordination (DCMAC) in Brussels as Civil-Military Expert to support various civil-military ATM projects, one of them being the Local and sub-Regional Airspace Management Support System (LARA).

Jan Scholz joined the German Air Force in 1994. After military and academic education he served as Radar Approach- and Tower Controller at different military airports before being seconded to EUROCONTROL in 2005.
