Subject: **Second seminar/workshop on the implementation of the new flight plan format – Amendment 1 to the 15th Edition of Doc 4444 PANS/ATM** (Lima, Peru, 19 to 20 May 2011)

Action
required: Confirm participation no later than 19 April 2011
Send presentations no later than 9 May 2011

Sir,

I have the honour to inform you that we have planned to hold a second seminar/workshop on the implementation of the new flight plan format, as per Amendment 1 to the 15th Edition of Doc 4444 PANS/ATM, from 19 to 20 May 2011 in Lima, Peru.

The seminar will be supported by an ICAO Special Implementation Project (SIP) with the participation of the industry, who will inform on the nature of the changes required to the automated systems for the implementation of the amendment, and the progress made to date in this regard.

The objective of the event is to present the progress made, as well as the difficulties encountered, in the initial phase of the implementation of the new flight plan format in the SAM Region and in other ICAO Regions, as well as provide guidelines on the corresponding transition period. During the seminar, an analysis will also be made to the impact this process could generate on air navigation safety.

The States of the Region will have the opportunity of exchanging experiences with experts in the field and of the industry, and obtain appropriate guidance for the implementation of the new flight plan on 15 November 2012.

The seminar/workshop is aimed for operational and technical personnel in charge of planning the implementation of the new flight plan format. It will be carried out in Spanish and English, and will count with simultaneous interpretation.

I will appreciate you propose participants in conformity with the above mentioned, sending this Office the attached registration form duly completed with regard to each candidate, so it is received no later than **19 April 2011**.

States wishing to make a presentation referring to activities and experiences in the implementation of the new flight plan format, are invited to send a copy of same to this Regional Office until **7 May 2011**. Each State will have 15 minutes available to make its presentation.

Attached please find **Appendix A** containing general information on the seminar/workshop, and **Appendix B** containing the registration form. The Agenda of the event will be sent later.

Accept, Sir, the assurances of my highest consideration.

Franklin Hoyer
Regional Director

8. Temperature

Temperature in Lima during the month of May varies from 17°C to 27°C. The average humidity is of 85%.

9. Transportation from/to the airport

There are authorized taxi services at the Jorge Chavez International Airport.

The rate to Miraflores or San Isidro (hotel area) is approximately US\$ 20.00. This rate can be confirmed at counters at the airport in the international arrivals area.

Taking into account the increase of assaults against persons who travel to and from the airport, the following taxi companies are suggested:

| | |
|------------------------|--|
| Eurocar | Tel: +511 222-1010 |
| | E-mail: ventas@eurocarperu.com |
| CMV Servicio Ejecutivo | Tel: +511 422-4838 |
| | E-mail: cmv@exalmar.com.pe |

10. Transportation to and from the site of the event

Participants can take a taxi or walk to the SAM Regional Office, depending on the location of the selected hotel, and vice versa.

In the city, there are independent or informal taxi drivers. In view of the fact that they do not belong to a company, they do not provide any safety or guarantee. If taking an independent taxi, please consider that you may be at a high risk.

Companies recommended for transfers within the city:

| | |
|--------------|-----------------------------|
| Alo Taxi | +51 1 225-4355 |
| Lima Remisse | +51 1 224-5529 / 99965-6639 |

20. General recommendations in the event of an earthquake

The city of Lima is within an earthquake area.

During an earthquake

- a) Keep calm.
- b) Stay away from windows; do not go to any balconies; do not use elevators.
- c) Locate yourself in previously identified internal safety zones.
- d) Evacuate the premises only if conditions permit it; otherwise, minimize your movements.

After an earthquake

- a) Proceed to exit the premises, since quakes can continue.
- b) Evacuation must be carried out calmly, quickly and safely through the indicated routes.
- c) Stay at the evacuation site until the designated security team of the building has verified whether the installations are at risk.

ICAO Third and Fourth floor emergency exits

- a) In front of the elevator area are two emergency staircases.
- b) Both stairs lead to the first floor of the building, in the main entrance area.
- c) Proceed down the staircases. Do not push or run; keep in line; move in one direction only; keep conversation to a minimum.
- d) Exit the building to allow free flow of evacuees exiting behind you.
- e) Once outside facing away from the building, turn left towards the evacuation site located across V. A. Belaúnde Avenue.
- f) Pay attention at all times to indications that the security team might make.
- g) You will be informed when it is safe to return to the premises.
