Subject: Evidence-based training (EBT) regional meeting
(Lima, Peru, 16-17 July 2014)

Action

Required: **Your answer not later than 30 April 2014**

Dear Sir,

I have the honour to inform you that the International Civil Aviation Organization (ICAO), jointly with the International Air Transport Association (IATA), has organized a regional meeting on evidence-based training (EBT), to take place in the ICAO South American Office, in Lima, Peru, from 16 to 17 July 2014.

This meeting has the objective to gather regulators and air operators to provide guidelines for the implementation of the evidence-based training (EBT) as an alternative method to the traditional training programme. The evidence-based training (EBT) will make possible to reduce the probability of errors related to flight crew, aligning instructions and evaluation requirements as close as possible to causes recognized as human error.

Also, during the second day of the meeting, participants will have the opportunity to be acquainted to the advanced qualification programme (AQP) as another alternative method to the traditional instruction programme.

States and operators are encouraged to participate. In this regard, kindly make extensive this invitation to your State airlines. Simultaneous interpretation services in Spanish and English will be provided during presentations and interactive panel discussions.
